

AVIATION COURSES

© Perth Airport

Prepare yourself for a career in aviation without leaving the ground. Get the skills to manage the ground operations of an airport, and to support commercial and defence aviation flight operations. Developed in partnership with industry, our courses will equip you with the practical skills for a professional, non-flying career in aviation.

AVI50119 Diploma of Aviation [Aviation Management]

TAFE ID: BES4 | CRICOS code: 0101214

Why choose this course?

If you want a career in aviation without leaving the ground, then this course will develop your skills and knowledge in ground operations to support commercial and defence aviation flight operations. You will learn how to apply technical and non-technical aviation skills in a range of aerodrome and air transport operations including passenger, charter, cargo, emergency service and government operations.

This qualification will provide you with the expertise to demonstrate autonomy, judgement and responsibility in known or changing circumstances that may arise in the aviation industry. It includes content on the strategic planning of airlines, the coordination of accident emergency plans of aerodromes, audit techniques and the basics of aerodrome management involving legislation and safe aerodrome works.

It is important to be aware that the licensing, legislative, regulatory and certification requirements that apply to this course can vary between states and territories.

Compliance with these requirements may be required nationally and/or in various jurisdictions globally. International students should confirm requirements for their own circumstances before they commence this course to determine its suitability.

This course is delivered at South Metropolitan TAFE's Aerospace Training Centre, located at the Jandakot Airport. You will have access to a fully equipped aircraft hangar facility which contains various aircraft engines, workshop stations, computer facilities, a flight simulator and a number of aircraft including a Boeing 737.

Course units

To achieve this qualification, you must demonstrate competency in 24 units comprising:

- » 10 core units; and
- » 14 electives.

Core units

- » AVIF0026 Implement aviation risk management processes
- » AVIF0027 Implement aviation fatigue risk management processes
- » AVIF0028 Manage aviation risk
- » AVIO0017 Manage disruptive behaviour and unlawful interference with aviation
- » BSBADM502 Manage meetings
- » BSBAUD501 Initiate a quality audit
- » BSBLDR502 Lead and manage effective workplace relationships
- » BSBLDR511 Develop and use emotional intelligence
- » BSBMGT517 Manage operational plan
- » BSBWOR502 Lead and manage team effectiveness

South Metropolitan TAFE Jandakot campus

Tuition fee \$17,280 | **Resource fee** \$894 | **Materials fee** \$612
Duration two semesters (12 months)

Electives

- » AVIF0035 Manage human factors in aviation operations
- » AVIF0043 Apply relevant laws and regulations to the operation of an aerodrome
- » AVIF0046 Facilitate an aerodrome emergency response
- » AVIL0002 Manage shifts, crewing and rostering activities in aviation
- » AVIL0006 Assess pavement concessions
- » AVIO0022 Undertake response action to an emergency or security threat
- » BSBAUD512 Lead quality audits
- » BSBHRM525 Manage recruitment and onboarding
- » BSBLDR522 Manage people performance
- » BSBSTR502 Facilitate continuous improvement
- » BSBSTR802 Lead strategic planning processes for an

organisation

- » PUAEMR032 Design emergency management exercises
- » TLIF0012 Implement and coordinate accident-emergency procedures
- » BSBPMG430 Undertake project work

Learning resources, facilities and equipment

Learning resources may include access to the Blackboard Learning Management System (LMS), Catapult online resources, online publications, simulation software, PowerPoint presentations and handouts.

Facilities and equipment may include access to hangar facilities and Jandakot airport used for simulated aviation environments, computer rooms, classroom facilities and a comprehensive online library.

UniPathway

Work placement information

There is no work placement requirement for this course.

Career opportunities

- » Aviation manager
- » Operations manager

Fee information

There are three types of fees required.

- » **Tuition** – International student tuition fees are set on a commercial basis and are paid as a whole of course fee.
- » **Resource** – These are mandatory fees paid to your TAFE college each semester. These fees are a fixed payment determined by each unit of enrolment. Resources fees are charged for items you will use during your course, for example if you are studying a hospitality course it will be the food that you use; or an art and design course may include paint.
- » **Materials** – These fees are for materials you will keep for use during and after your studies, for example personal protective equipment, text books, uniforms etc.

Tuition fees are current at the time of printing and reviewed annually. Resource and materials fees may apply and these vary between campus locations. For more information about fees please visit tafeinternational.wa.edu.au/fees .

Work placement hours

Work placement hours are subject to change and may vary between campus locations.

TAFE International Western Australia (TIWA) is the registered training organisation (RTO) and Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) provider for the delivery of training to international students enrolled in TAFE courses in Western Australia. These nationally recognised courses are delivered by Western Australian TAFE colleges on TIWA's behalf. TIWA retains responsibility for the quality of the training and assessment delivered by the TAFE colleges and for the issue of certification documentation to students.
